Hello Matt,

I have it done. Just waiting for comments from Richard Lee (BLM). Fred sent me his. I am working on a contact for NPS but likely will not have time for them to review. We do not have USDA POC yet but will work on it. No one from FS attended the NEPA meeting. I'll have it out tonight as I am in travel/meeting all day tomorrow.

Thanks,

Mike

Hi, Mike. 2 quick items:

- I saw communication from WSB to Richard Lee's supervisor requesting an update on WSB for the SGTF, so hopefully we are good there.
- Noreen has asked we provide her all briefing products for SGTF by 1200 MST tomorrow so she can share that information with Dan. Can you please update the existing WSB BP to reflect last week's NEPA meeting and related developments and send it to me by then? Ideally, you'll have USDA and BLM's blessing on that document but if need be I can move it to FWS leadership with the caveat you are working to secure same.

Thanks in advance.

Matt
