Mike, Fred: any status on this? The Secretary's senior advisor is waiting on our response. Please advise. Thanks.

Hi, Mike. Richard Lee did a nice job of briefing the SGTF on WSB earlier this week. Thanks again for coordinating that. Richard advised the SGTF he didn't have exact, current status on registration and whether IR-4 had formally submitted the package to EPA. DOI leadership asked we run that down so they can advise the Secretary, so could you/all or an appropriate POC please get back to me ASAP with status? Thanks in advance. MK
