Just spoke w/Mike. He's covered up this afternoon – as I think we all are – so I will line out what we need to do in an e-mail message. Good news is we can accomplish much of the SGTF prep using the content folks here developed for WAFWA. Look for something from me shortly. Thanks.

Hi,

I just spoke with Noreen about the subject item. Can we huddle for a few minutes before the 4 pm to discuss? Otherwise, I can line out tasking via email; whatever's best for you all.

Thanks.

Matt
