Dave did a great job laying out the paper vs the CBD news release.

Dave is planning on being there. I do not know if they asked him to speak. I am meeting with Naugle, Meeks, and Chase in about 45 minutes so I can ask if you like.

I saw the new agenda with this this weekend, and I wondered if they had asked Dave to speak since I thought Dave was planning to be there.

Hi all,

I wanted to give you a heads up that the topic of grass height and sage-grouse is going to be on the agenda at the Governors Task Force meetings. I got a heads up from Naugle and have actually seen the agenda. Dave will be there if there are any questions about our paper. Since I do not know when the topic is coming up, I wanted to make sure you were aware ASAP and not caught flat footed.

Cheers  
Kevin
