You bet. Here's where we are on some current/trending items going into the weekend:

- Lined out prep for the Fire SO meeting w/Jim. Have asked 1 and 8 for additional agenda items and participants. Am thinking we should hold the meeting at Holiday Inn immediately following SGTF so have a call into the hotel re: space.
- Mary Grim is coming to TF.
- I shared Roslyn's feedback re: Dan's schedule with Katie K. At this point, it looks like the agenda will stay as is for Dan's GuSG presentation but Katie said she'd advise us ASAP if that changes. Let me know if I can help arrange Dan's transport to RMA and beyond or any support while he's at RMA.
- Lief drafted a response to the UT CED item. That's with Mike and Nicole now.
- Had a good talk with Will today on several things. Need to speak briefly with you before TF kicks off and pass on some intel from Will about NRCS' presentation there.
- Saw traffic today indicating Mr. Amodei has asked House Approps (majority) to schedule a GrSG briefing w/DOI and bureau directors in early February. Authorizers will also attend. Unclear whether this is in lieu of or in addition to Ren's meeting with Mr. Amodei. Megan and I will connect early next week to discuss.
- I saw a first cut of the video we asked EA (Dan Hottle) to develop. It was a strong first cut but needs some revisions. I provided comments, as did Theo and Anna. Dan is aware we want to tie this off before the next Congressional briefing.

Hope you get some down time this weekend.

Nah, unless you got something we should cover now, let's call it a day! Thank you for

EVERYTHING.
