Hi Noreen,

It seems that reps from most of our coalition are interested in participating.

Erik Molvar of Wildearth Guardians will be the only in-person participant. Let's not let him dominate the conversation...☺.

Others will include:

Randi Spivak, Center for Biological Diversity  
Greta Anderson, Western Watersheds Project  
Mark Salvo, Defenders of Wildlife  
Andy Kerr, Larch Co.

Thanks, look forward to talking with you Monday.

Dear Noreen,

I am planning to attend the January 12th, 4 pm meeting on sage grouse in person at the Lakewood USFWS office, if that works for you.

It would be great if security folks could get the heads-up that I will be coming down.

Best wishes,
