Subject: WGA inventory report

Hey there!

Hope you had a great weekend.

WGA has asked us to answer a series of questions about our work on GRSG.

Writing to see if you can provide me with the total number of folks hired by us to work on GRSG

(This will be surmamed, so if folks up the chain are anxious about the number, they will have a chance to pull it.)

If you're not the keeper of the names, could you pls direct me to the appropriate person?

Thanks Jennifer!
