Subject: Re: Bullets for Dan

I think private lands conservation is a big one. Other items: implementing 4 mile lek buffers; protecting Anthro and W. Tav; capping disturbance at 3% rather than 5%.

Pat just asked us for 2-3 bullets of what the State could do better for GRSG conservation in UT. This is for a Meeting that Dan is having

I'm thinking an exec order that would enhance consv on private land with specifics

Other thoughts?
