Hi Quincy and Renee -

Just another nudge, hoping if you all could provide this info (see Jay's email below) on disturbance calculations for the population areas.

Thanks!
Betsy

Hi Quincy,

Can you please send us your calculations for existing disturbance in all the PACs/SGMA's (and Anthro and West Tav.) in the state? Also, has the state shared with you any of their existing disturbance calculations?

I will not be here most of next week, so please copy Laura and Betsy.

Thanks
