I don't think we've heard back from Quincy - do you want to give him or Renee a call and see if we can get this info?

Laura.

Hi Quincy,

Can you please send us your calculations for existing disturbance in all the PACs/SGMA's (and Anthro and West Tav.) in the state? Also, has the state shared with you any of their existing disturbance calculations?

I will not be here most of next week, so please copy Laura and Betsy.

Thanks
