Good Morning –

I understand there's some concern over chapter assignments. Seems to be 2 issues, one on prioritizing and another on reassigning as a result. In order to fix both, I'm asking that only Kate contact only Jesse with concerns/questions regarding our assignments, and he'll bring it to me if needed. Right now it's my understanding that R1 is committed to the assignments and due dates as they were laid out at the Denver meeting, and there's no need for anyone else to assume any of that workload. If you have a different understanding, please call Jesse ASAP.

Thanks –
