Dear International Sage-grouse Forum Participant,

We have extended the deadline to respond to the ISGF survey a few more days. Your feedback will be essential should the Western Association of Fish and Wildlife Agencies consider making the ISGF a venue for an on-going dialogue on sage-grouse conservation and management. The survey is brief and should only take a few minutes to complete. Your responses will be confidential and comments will be kept anonymous. Thanks to everyone who has already completed the survey.

Please complete the survey by December 24, 2014. The link is: https://usu.co1.qualtrics.com/SE/?SID=SV_bd9j5eP6RsbmaTb

The ISGF recordings are available for viewing at <http://sage-grouseforum.org> under the Recorded Proceedings tab to the left of the page. All participants can log in using their email and password, there is no need to register again. If you did not receive a password, please contact, Robbie Gerber at Robbie.gerber@usu.edu. Those who did not attend or participate on-line will be given the opportunity to register to receive the recordings.

Thank you again for all you do to sustain the working landscapes essential to sage-grouse conservation.

Best,

Terry Messmer, ISGF Chair

Rae Ann Hart, ISGF Program Coordinator
