Caitlin -- Can you jump on this, work with the Region or SOL as needed, and put together some background and talking points for the Secretary on issue #2 below? I'll forward you separately an example of the format we should use in feeding it back.

Need ASAP, preferably by COB today. Copy Anna and Emily Porcari with your response.

Thanks -- GDF

Hi Francisco – here are the two issues we'll touch on --

1. Sage grouse, specifically where we are with USFWS review and BLM plans
2. Litigation regarding the State of Montana's Habitat Conservation Plan for state lands

Thanks, Tim

Hi Kevin. I'm writing to follow up in regards to Gov. Bullock's meeting with Secretary Jewell on Saturday at 4:30pm PST during WGA. We'd like to know if there are any issues that your boss plans to raise with the Secretary during this meeting. We want to make sure she's prepared for the conversation. Thank you for your help.
