**Date:** Monday, November 04, 2013 4:23:13 PM

---

Hi Julie,

I forgot to do this before I left the office last week. Would you mind covering EGS and TWE this month?

Melissa Burns is still out on maternity leave. I haven't heard anything new on Zephyr, but just wanted to give you a heads that she won't be on the call to confirm that.

Best,  
Amy

Hi, all,

We will be having our monthly transmission team call on Wednesday at 2:00 MST. Doug Young has graciously offered to take notes during our meeting. Please send your project updates (in an email to be incorporated into the meeting notes) *to the entire group today* for review prior to Wednesday's call.

Call in: 1-866-650-7570  
Passcode: 889-6811

Agenda:

1) Review/Q&A project updates. Share any major changes or issues. Ask questions about the status updates that were mailed out earlier this week.

2) Important issues and topics.

- a) Legal finding on the Oregon North Steens Transmission Line - Greater sage-grouse (attached; Doug/Stef)
- b) IIP Process (attached; Rachel)
- c) APLIC BMPs for greater sage-grouse (Drue/Doug/Lief)

3) Others?
