Matt,

I have no comments on the position paper. I will be on the road during the call so I can't call in. I discussed this with Pat and we are on the same page.

Folks,

Thanks again for your time this morning and, per that conversation, please see attached the subject document, along with some supplemental information Pat provided. As discussed, **please send Pat and me any/all comments by 1100 MST on Monday, 3/31.** To limit the amount of comments we'll need to reconcile, we ask you please focus your review on the most substantive items in the document.

We've got a placeholder on the calendar for a follow-up call as necessary on Monday at 1100 MST on Monday (3/31) to discuss as necessary any outstanding concerns. We'll determine here – based on the nature and volume of comments – whether we need to hold that call. **If you don't hear from us, assume the call is on.** Call information is below.

Lastly, for efficiency, this distribution includes those folks who took the call this morning (not the entire FMT). If someone else in your shop needs to be looped or will actually conduct the review, please feel free to share this and provide context; otherwise, please don't distribute this further at this time.

Thanks in advance, and please Pat or me know if you have any immediate questions. Have

a good weekend.

Matt
