William L. Finley National Wildlife Refuge (Snag Boat Bend Unit) 2022-2023 Fall Black-tailed Deer and Waterfowl Hunts

Black-tailed deer and waterfowl hunting will be allowed at designated portions of the Snag Boat Bend Unit (a unit of the William L. Finley National Wildlife Refuge in Linn County, OR). Hunting seasons include several opportunities during late August 2022 through mid-March 2023. See refuge maps at the website link below.

Deer Hunting

The Snag Boat Bend (SBB) Unit will provide deer hunting opportunities for archery and short-range firearms, as per the regulations below. Season dates follow those published in the Oregon Department of Fish and Wildlife's *2022 Oregon Big Game Hunting Regulation* for Willamette Unit 15. Hunters must possess a valid Oregon state General Archery, Willamette Unit 615, or General Any Legal Weapon tag to hunt deer on the SBB Unit.

Archery – only tag:

- With a General Archery deer tag, archery hunting is allowed in SBB **Zones 1 and 2** from August 27th through September 25th and November 19th through December 11th. One deer of either sex may be harvested.

Firearms (“Any Legal Weapon”) tag:

- In **Zone 1**, short-range firearms (shotgun with slugs, muzzleloader) and archery hunting are allowed with a Willamette Unit 615 tag from September 1st through October 31st, and with a General Any Legal Weapon deer tag from October 1st through November 4th.
 - buckshot and centerfire/rimfire weapons are **NOT** allowed for hunting
- In **Zone 2**, hunters with Willamette Unit 615 or General Any Legal Weapon deer tags are limited to **archery hunting ONLY**, within the season dates specified above for Zone 1. Zone 2 includes the areas adjacent to the Observation Blind and private residence at the northeastern corner of the refuge property.
- One deer of either sex may be harvested with a General Archery or Willamette Unit 615 tag. Only deer with one visible antler may be harvested with a General Any Legal Weapon deer tag.

Waterfowl Hunting

The SBB Unit will provide waterfowl hunting opportunities for ducks, coots, and geese in the Oregon Department of Fish and Wildlife's Zone 1 (ducks) and Northwest Permit Zone (geese). Season dates and other regulations follow those published in the Oregon Department of Fish and Wildlife's *2022-23 Oregon Game Bird*

Regulations. Hunters must possess all appropriate, valid Oregon state licenses and validations, as well as a valid Federal Waterfowl Stamp.

- Waterfowl hunting is allowed only in SBB **Zone 1**.
- Walk-in waterfowl hunting generally is limited to the banks of the Willamette River and adjacent backwaters. When Willamette River levels are high, intermittently flooded forests in the western portion of SBB Zone 1 may provide occasional hunting opportunities.

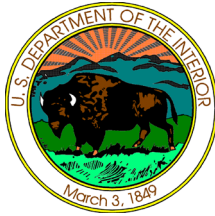

A self-service hunt kiosk is located at the west side of the main Snag Boat Bend parking lot. Maps and regulations are posted at the hunt kiosk and on the Refuge website:

https://www.fws.gov/refuge/William_L_Finley/

Hunters are permitted on refuge one hour before and one hour after legal hunting time. Hunters under 18 must have their hunter safety card on their person. All hunters must visit the Refuge website or one of the self-service hunt kiosks on or before their first hunt day to read the most up-to-date Refuge hunt regulations. Hunters may use portable or climbing deer stands. Overnight camping and after-hours parking are prohibited on the Refuge.

Persons possessing, transporting, or carrying firearms on National Wildlife Refuges must comply with all provisions of State and local law. Persons may only use (discharge) firearms in accordance with Refuge regulations.
