This workshop is designed for kids **17 years and under**, and a **required** accompanying adult.

From 1pm-3pm participants will rotate through stations demonstrating a variety of beginner concepts regarding waterfowl hunting.

Participants will leave with a goody bag and basic knowledge to get them started waterfowl hunting

Upon completion of the workshop, at 3pm, participants will be eligible to participate in the Ottawa National Wildlife Refuge and Magee Marsh Wildlife Area Youth Water-fowl Hunt immediately following the workshop. Participants will have the opportunity to hunt portions of Ottawa National Wildlife Refuge and Magee Marsh Wildlife Area from 4 until sunset that evening.

A packed brown bag dinner will be provided.

Registration is required (see registration form). Space will be filled first come-first served, with priority given to new applicants with little to no waterfowl hunting experience. Hunters with disabilities will be accommodated.

Selected participants will be notified
