William L. Finley National Wildlife Refuge 2023 Elk Hunts

William L. Finley National Wildlife Refuge will again offer elk hunting in 2023. This year's hunt program will provide a total of 25 elk permits, with hunting divided into four hunts that run from September 2nd – October 27th. **Only antlerless elk may be harvested.**

A single, 2-week archery-only hunt will begin on September 2nd, with 10 permits allotted. This is a short-term change from the 3-week archery elk season we have conducted since 2020, resulting from the overall later 2023 start dates for deer and elk seasons in Oregon.

There will be three, 2-week short-range weapon hunts, beginning on September 16th, with 5 permits allotted for each hunt. Only hunters who plan to purchase a Willamette Unit General Season Antlerless Elk Damage tag will be considered for these hunts.

This year's elk hunts will take place in the same designated Refuge areas as during previous years, referred to and marked as Zones 1 and 2 (see refuge website for map).

In order to hunt on the Refuge you must be awarded a special Refuge elk hunt permit ***in addition to*** a current Oregon hunting license and valid state-issued elk tag. Refuge elk permits are allotted through a lottery. To obtain a Refuge elk hunt permit, fill out an application (located on our website) and make sure it is **postmarked by July 1, 2023**. Successful applicants will be notified by COB July 15th and provided additional information about Refuge regulations and hunting information. For more information and details on how to apply, visit our website and refer to the following documents: *2023 Elk Hunt Information* and *2023 Elk Hunt Application*.

Self-service hunt kiosks will be located along Finley Refuge Road at the Display Pond parking area and the Turtle Flats restrooms, as well as off Bruce Road near the east end of McFadden Marsh bridge. Maps and regulations will be posted at the hunt kiosks, as well as on the Refuge website:

[https://www.fws.gov/refuge/William_L_Finley/](http://www.fws.gov/refuge/William_L_Finley/)

Hunters are permitted on refuge one hour before and one hour after legal hunting time. Overnight camping and after-hours parking are prohibited on the Refuge. Hunters under 18 must have their hunter safety card on their person.

Persons possessing, transporting, or carrying firearms on National Wildlife Refuges must comply with all provisions of State and local laws. Persons may only use (discharge) firearms in accordance with Refuge regulations.
