

U.S. Fish & Wildlife Service

Charles M. Russell and UL Bend National Wildlife Refuge

2023 Hunting Regulations

Welcome

Encompassing approximately 1,100,000 acres in northeastern Montana, the Charles M. Russell National Wildlife Refuge provides a rare opportunity to experience wild lands and wildlife in a natural setting. It includes native prairies, forested coulees, river bottoms, and badlands, so often portrayed in the paintings of the colorful artist for whom this Refuge is named.

For current information and maps visit the refuge website:

www.fws.gov/refuge/charles-m-russell

Accessibility

Equal opportunity to participate in and benefit from programs and activities of the U.S. Fish and Wildlife Service is available to all individuals regardless of physical or mental ability. For more information please contact the U.S. Department of the Interior, Office of Equal Opportunity, www.doi.gov/accessibility.

May 2023

This is a unit of the National Wildlife Refuge System, a network of lands and waters managed for the benefit of wildlife and people.

General Information

Many wildlife-oriented recreational opportunities are offered at Charles M. Russell National Wildlife Refuge (CMR NWR), including hunting, fishing, wildlife observation, and hiking. UL Bend National Wildlife Refuge, a "refuge-within-a-refuge", lies within CMR NWR and the two refuges are managed as one.

To protect Refuge resources and to safeguard visitors, please observe the following regulations.

Mechanized Vehicles

- Travel on closed roads and off-road travel is prohibited, including traveling on shorelines and travel to retrieve game.
- All mechanized vehicles (except for snowmobiles) are allowed only on numbered Refuge roads that are designated as open.
- Snowmobiles are prohibited on all Refuge lands and roads. Snowmobiles and mechanized vehicles are allowed on the ice of Fort Peck Reservoir below Soda Creek Bay.
- Vehicles may be driven, using the most direct route, up to 100 yards from an open road to establish and utilize temporary overnight campsites, except in designated wilderness areas.

All-terrain Vehicles

- ATVs include motorcycles, quadracycles, UTVs, etc.
- To operate on open Refuge roads, ATV operators must follow all mechanized vehicle regulations.
- Operators must possess a proper driver's license.
- ATVs owned by Montana residents must be street legal and must have a license plate, brake lights, and rear-view mirror.
- ATVs of non-residents must be legally licensed from the state of origin. If you cannot license an ATV in your state, contact Montana Fish Wildlife & Parks to get a temporary permit.

Bicycles

Bicycling is allowed year-round, on numbered roads, including seasonally closed roads that are numbered. Bicycles are not allowed in UL Bend NWR designated wilderness areas.

Aircraft

- The use of aircraft over Refuge lands to disturb, harass, drive, pursue, rally, or hunt wildlife or to locate wounded animals is prohibited.
- It is illegal to operate unmanned aircraft (drones) on or over Refuge lands.
- Aircraft may not land on Refuge lands. Landing of fixed-winged aircraft is only allowed on the surface of Fort Peck Reservoir in the Landing Area and in Landing Zones that are defined in the Charles M. Russell NWR Guide Map.

Hunting

- Hunting is allowed for bighorn sheep, coyotes, elk, mule deer, antelope, white-tailed deer, waterfowl, migratory birds, mountain lion, turkey, and upland game birds. All other wildlife is protected; this includes, but is not limited to, badger, bear, bobcat, cottontail rabbit, jack rabbit, moose, prairie dog, snake, and wolf.
- Hunting is subject to Federal and State regulations. Consult all current Federal and State regulations prior to hunting on the Refuge. A Montana hunting license is required.
- Refuge-specific hunting regulations are available on the Refuge website or at the Refuge headquarters and field stations by May 1 of each year.
- Persons possessing, transporting, or carrying firearms on National Wildlife Refuge System lands must comply with all provisions of State and local law. Possession of a firearm in a federal building is prohibited. Persons may only discharge firearms in accordance with refuge regulations (50 CFR 27.42 and specific refuge regulations in 50 CFR Part 32). Firearms may ONLY be fired in conjunction with a legal hunt for which the hunter is licensed.
- Archery target shooting is allowed during archery season. All other target shooting is prohibited.
- Youth hunts as described in the Montana Fish, Wildlife, & Parks Regulations are valid on the Refuge.
- Trapping is not allowed.
- The use of artificial lights to attract, search for, or spot wildlife is prohibited.
- Trail cameras are not allowed.
- Non-motorized game carriers are allowed except on UL Bend NWR designated wilderness areas.

Big Game Hunting

- Big game hunting seasons and harvest quotas on the Refuge may be more restrictive than State regulations.
- Portable tree stands and ground blinds are allowed and must have the user's name, address, phone number, and automated licensing system (ALS) number marked on the stand/blind and must be visible from the ground.
- Each hunter is limited to three portable tree stands and/or ground blinds. Portable tree stands or ground blinds can be installed on August 1 and must be removed by December 15 of each year. The construction or use of any permanent tree stand, ladder, or blind and the use of nails, wire, or screw-in spikes with stands, is prohibited.

Alcoholic Beverages and Marijuana

- The use or possession of alcoholic beverages while hunting is prohibited.
- Possession and/or consumption of alcoholic beverages by persons under the age of 21 is prohibited. Buying, selling, providing, distributing, or allowing underage persons to possess or consume alcohol is prohibited.
- Possession and or use of Marijuana / Cannabis / THC on National Wildlife Refuge System Lands is prohibited under Federal law.

Collection of Natural Items and Artifacts

- Collection of antlers and animal skulls is illegal. These items are an important source of renewable calcium for elk, deer, and other wildlife.
- Harvesting of any berries, mushrooms, or plants (including edible), is prohibited.
- Removing any natural items such as fossils, rocks, dried wood, and black diamond willow is prohibited.
- There are many interesting historic buildings on the Refuge. Please enjoy them as they are, and do not remove parts of the buildings or artifacts found within or around them.

Camping

- Any camping unit and/or party is limited to 14 days within any 30-day period. Any property, including camping equipment, boats, trailers, and other personal property left unattended for more than 72 hours, is subject to removal.
- Select a safe place for campfires. Campfires must be attended at all times and make certain that your fire is completely out when you leave. Please check at any Refuge office or on the Refuge website for fire restrictions during dry periods.
- All human waste, including tissue paper, must be buried immediately.
- Dumping of RV tanks (gray or black water) is prohibited.
- Collection and use of dead and downed wood for campfires is allowed. Cutting standing timber, live or dead, is prohibited.
- Pack out all trash and restore your campsite to a natural condition when you leave.

Developed Campgrounds

- Developed camping areas near the Refuge are available at James Kipp Recreation Area (managed by the Bureau of Land Management Monument Office, Fort Benton, MT 406.622.4000 or 877.256.3252), Crooked Creek, Devils Creek, Forchette Bay, The Pines, Nelson Creek, McGuire Creek, Rock Creek, Fort Peck Recreation Areas (all managed by the U.S. Army Corps of Engineers, Fort Peck, MT 406.526.3411) and Hell Creek Recreation Area.

Dispersed Camping and Backcountry Camping

- Camping outside of a developed campground is allowed unless the area is designated as closed.
- Camping with a vehicle must take place within 100 yards of numbered roads that are designated as open. Direct access by mechanized vehicles from a numbered route is allowed to establish and utilize temporary overnight campsites. Select the most direct route to avoid damage to soils and vegetation.
- Backpacking and horse camping are allowed, except in closed areas.

Hiking and Horseback Riding

- Back-country travelers should be familiar with the isolated character of the Refuge and should be prepared for emergencies. Weather conditions can change rapidly. Expertise with map and compass is recommended. Drinking water is generally unavailable.
- All horses, mules, llamas, and other types of pack animals must be tied, hobbled, or confined while in camp. Pens are provided at some U.S. Army Corps of Engineers recreation sites.
- To prevent the spread of noxious weeds, only certified noxious-weed-seed-free forage is allowed. Contact a Montana State University County Extension Office for a list of approved forage vendors.

Accessible Wildlife Viewing and Hunting Blinds

The Refuge has two wildlife viewing/hunting blinds available. Both are open to the public with the understanding that visitors with disabilities have priority use. They are available year-round on a first come, first serve basis. For detailed information, call the Refuge or visit www.fws.gov/refuge/charles-m-russell/visit-us/activities/hunting

- The Hell Creek Blind is located in the bottoms of Hell Creek, approximately 25 miles north of Jordan, Montana, close to Hell Creek Recreation Area.
- The Manning Blind is located along the Missouri River (Manning Bottoms) on the western side of the Refuge and is approximately 10 miles east of Highway 191 and the Fred Robinson Bridge.

These regulations are in addition to or clarify State regulations. All hunting licenses and permits are issued by Montana Fish, Wildlife and Parks. No additional licenses or permits are needed from CMR or UL Bend NWRs. All wildlife species not specifically listed in these regulations are protected.

Activity	Hunt Areas	Season Dates	Other Regulations
Antelope	HD 480, 481, 620, 630, 650, and 700	Archery Only – Same as State season. Rifle – Same as State season.
