

Invasive Species Volunteer Workdays

PLEASE COME JOIN US!

Non-native, invasive plants are a major challenge on National Wildlife Refuges where they displace native species and degrade wildlife habitat. Volunteers can help with cutting, hand pulling, digging, and bagging plants for disposal to help manage them and prevent further spread.

ELIZABETH A. MORTON NWR

2595 Noyack Rd, Sag Harbor, NY 11963

**Saturday May 6 AND
Saturday August 12, 2023**

08:30 am to 12:30 pm

WERTHEIM NWR

340 Smith Road, Shirley, NY 11967

Saturday July 29, 2023

08:00 am to 12:00 pm
