

2024 Federal Junior Duck Stamp Conservation Message - Maryland Winners

BEST OF SHOW

Placement	First Name	Last Name	Age	School	Conservation Message
BOS	Grace	Ma	17	May Studio	Protecting wildlife is more than just protecting a species, it is about preserving entire ecosystems and ultimately our planet.

GROUP 1 (Grades K - 3)

Placement	First Name	Last Name	Age	School	Conservation Message
1	Sirina	Liao	6	International Yu Li Art Ctr.	Wetlands are important features in the landscapes that provide habitat for thousands of species of aquatic and terrestrial plants and animals.
2	Madeline	Wu	8	May Studio	Keep the water clean so ducks can have a better place to live.
3	Tina	Sun	6	International Yu Li Art Ctr.	Mom duck loves the baby ducks and protects them forever. We should love them and protect them too.
HM	Charlotte	Gao Peng	6	Cui Art Studio	Our planet is not only for humans, but also for wildlife. We should give them some space, do not artificially participate in their lives.
HM	Christina	Liu	8	Cui Art Studio	The wildlife is important to me because if there is no water, then the ducks won't be able to swim.
HM	Audrey	Olivieri	6	May Studio	Protect the ducks.

GROUP 2 (Grades 4 - 6)

Placement	First Name	Last Name	Age	School	Conservation Message
1	Matilda	Glover	11	May Studio	If everyone took one small step to protect the environment then it would make a huge difference.
2	Lisa	Wu	11	Washington Luyi Art Center	Keep the watershed clean, our future depends on it!
3	Lakshmi	Boreddy	12	May Studio	Wetlands need to be conserved and protected if we want to save the ducks.
HM	Elina	Min	10	Erae Art Studio	Help maintain our ecosystems thrive in diversity.
HM	Fiona	He	11	Washington Luyi Art Center	Nature has given us so much, yet we have given it so little. It's time to give back.
HM	Victoria	Lu	10	Washington Luyi Art Center	We must respect nature and wildlife, it is the key to make a better environment for all of us.
HM	Ruoque	Xu	12	Cui Art Studio	Nature is part of our life.
HM	Betsy	Jia	10	May Studio	What the future of nature is going to be like all depends on what you do.

HM = Honorable Mention

2024 Federal Junior Duck Stamp Conservation Message - Maryland Winners

GROUP 3 (Grades 7 - 9)

Placement	First Name	Last Name	Age	School	Conservation Message
1	Mira	Wang	15	Washington Luyi Art Ctr.	Maintaining clean and healthy watersheds is the responsibility of everyone.
2	Sherry	Wei	13	May Studio	Conservation of our wildlife is preserving the art that nature painted for future generations.
3	Clarice	Frude	14	Thomas S. Wootton HS	It's eider now or never to help wetland conservation.
HM	Emily	Zhang	15	Cui Art Studio	Quack down on habitat destruction - preserve our wetlands like fine art.
HM	Linda	Chen	15	Washington Luyi Art Ctr.	Let's preserve our wetlands for present and future generations!
HM	Evelyn	Xu	15	Washington Luyi Art Ctr.	Wetlands tell us the story of life's existence, while wildlife dances so delicately and sacred.
HM	Luke	Ni	13	May Studio	Wetland conservation is important and we all should strive to protect it.
HM	Ellen	Zhang	13	May Studio	Destroying habitats destroys the futures of those that'll live after us.

GROUP 4 (Grades 10 - 12)

Placement	First Name	Last Name	Age	School	Conservation Message
1 (BOS)	Grace	Ma	17	May Studio	Protecting wildlife is more than just protecting a species, it is about preserving entire ecosystems and ultimately our planet.
2	Rachel	Ni	17	May Studio	Conservation is the window to a future where people can continue to see the beauty of thriving wildlife.
3	Nathan	Li	16	May Studio	Sustainability of our world begins with conservation.
HM	Lumina	Zhang	16	Independent Entry	Conservation is not a word, but a practice.
HM	Jaden	Hou	17	Washington Luyi Art Ctr.	Conservation is the guardian of our legacy, ensuring biodiversity and sustainability and minimizing our ecological footprint for generations to come.
HM	Ellen	Bu	15	Washington Luyi Art Ctr.	Nature is the mother of all life; it is our duty as children to love and care for her.
HM	Ella	Wang	15	May Studio	Wetlands are important habitats for many species of wildlife, and the destruction or disruption of wetlands can have serious consequences for their survival.
HM	Andrew	Yu	17	May Studio	We can help protect these species and their habitats by conserving wetland habitats. Protect the wildlife, protect the world.
