What is the Youth Conservation Corps?

The United States Youth Conservation Corps (YCC) is a summer youth employment program that engages young people in valuable hands-on work experiences to help develop and maintain the natural resources of the United States on national wildlife refuges, national parks, national forests, and fish hatcheries.

Who is eligible?

For students, 15 through 18 years of age (cannot reach 19 before August 2nd), who are permanent residents of the United States. The nine-week educational work program is scheduled from June 4 to August 2, 2024. Enrollee's pay will be \$14.00 per hour. Work will consist of 40 hours a week, Tuesday through Saturday from 8:00 a.m. to 4:30 p.m. Selected applicants will need to have their own bank account before reporting to work and be able to present their Social Security card.

Questions? Call the refuge office at 321-861-0669 and ask for Ranger Courtney or by email at courtney_johnson@fws.gov.

What will I do?

YCC members will learn about the different jobs in the U.S. Fish & Wildlife Service and the conservation of natural resources. Projects include but are not limited to: trail maintenance, building and grounds maintenance, invasive species control, environmental education.

Participants will do hard physical work outdoors and may be exposed to insects, poison ivy, adverse weather, and difficult working conditions, but it is an overall rewarding experience! This program also includes educational opportunities for the youth workers. In previous years, participants have visited the Welaka Fish Hatchery, Orlando Wetlands, Alligator Farm and Zoological Park, and Brevard Zoo.

How do I apply?

Applications are available through the refuge website at: <https://www.fws.gov/refuge/merritt-island> or by emailing Ranger Courtney. **Applications must be received or postmarked no later than 5:00 p.m. Friday, May 3rd, 2024** at Merritt Island National Wildlife Refuge. Submissions can be mailed or emailed to courtney_johnson@fws.gov. Up to four applicants will be selected for employment. All applicants will be notified by mail or phone after selections.
