Good morning all,
I submitted my most available dates. Please don't hinge the visit on my participation if other dates work best. This month is very fluid for me with lots of moving parts. I'm happy to attend if it works out.
All best,
Christine

Good morning all,

I've setup a doodle poll to find a time we can meet at the ranch to see the wildlife crossings that have been installed and confirm the locations of the remaining crossings. If I've unintentionally left anyone off this email that should attend the meeting, please forward this invite to them.
