There's no harm in having them hold that date at this point. I am just awaiting word from our realty division as to what their level of involvement may be for this particular date/time.

Have a great evening!

Great, thanks. Is it okay to let the STPH leadership know to hold that time as well?

Hi – 2:00 p.m. on Friday, September 25, would actually work better for Mike Dougherty in Senator Tarr's office. Would folks be available then? Thanks!

Good Morning,

I am just following up to see if we have a date/time for the call with Pink House. I have been fielding inquiries from their leadership team, and would love to offer a date soon.

Thanks again for last week's call,

Kelly
