That's great, Matt, thanks! Why don't you throw out a few dates/times that would work for you post-September 13, and we'll be happy to talk with you then.

Hope you had a terrific vacation,  
Kelly

Hi Kelly,

Still digging out after having been on vacation last week! I'm almost there...

Thanks for reaching out. I would be happy to meet. Your question is timely, too, because I have been engaged in internal briefings with our leadership teams as we finalize next steps. My next (and final) internal meetings on this topic are Sept 8 and Sept 13 so part of me feels like our meeting would be most productive if held after those -- although if you'd like to discuss earlier, that is fine, too.

While I cannot share much in the way of specifics right now, please know that we are moving diligently behind the scenes for a proposal to put out to the public in September.

Best,

Matt

Hi Matt,

I hope all is well. We've received renewed outreach from the Save the Pink House advocates and would love to find time to talk with you about the status of the property. Would you have time to connect next week for a brief call?

Thanks so much,  
Kelly
