Great, sounds good. I circled back on the BP email. I did not have any edits so I'll confirm with Graham if we are good to move forward. Thanks!

Graham mentioned that you and he would handle any edits needed on the BP and I would handle the EA. I completed the first draft of the EA and will share that with you both now.

Great, thanks Matt. Can you remind me the status on your briefing paper for the Pink House? Are you waiting for Graham or I to get back to you with edits or next steps?

**Subject:** briefings on the Pink House

Hi Matt,

Scott has asked for a pre-brief for himself and Holly on the EA for the Pink House and then a briefing for the RD. Looking to get both scheduled before 9/14 so that we can keep on your timeline for public release. Do you have a couple dates you can suggest for the pre-brief for Scott and Holly? I can then work with Shannon to see what will work for both meetings.

Thanks!

Meta
