Fee waiver	yes

Explanation

I'm requesting a waiver of all fees. To help to determine my status toward applicability of any fees, please know that Support the Pink House Inc, is a 501c3 nonprofit for public benefit, who works on behalf of the thousands of area residents who want save the Pink House from demolition and see it restored under a perpetual preservation restriction. This has been the subject of many public meetings. Disclosure of the requested information to me is in the public's interest because it is can significantly contribute to the public's understanding of the operations of the government around the house the public is working to save. Support The Pink House Inc has no commercial interest. The information/documentation requested is pertinent also for informing the public at regular meetings as they work on solutions supported by the community and others.

Expedited processing

Expedited Processing

no
I ask that my request receive expedited processing because of the critical timeline set by US Fish & Wildlife to demolish this asset of the United States in the next two months. Since the Pink House is supported by the community because of its significant historical and economic importance. We trying to save it imminently and this information is of paramount importance to inform the public at regular meetings and secure a solution before the house is demolished. The information requested is urgent because USFWS actions to action or demolish are imminent and there is great need for clarity to work on alternative solutions during public meetings, including area leaders and community organizations.
