Importance: High

Wind is picking up so we won't survey the island. Headed south. I'll call next week if that works. Thx

Sounds good Joe,

Say, when you get a moment, can you give me a call? I'm looking for citations on disturbance, particularly distance, for Brant in regards to aquaculture activities.

Best,
Sue

Hi Sue, we are flying the sjf today and PI looks good. We are going to circle it this morning as part of the survey. Thanks, Joe
