sounds good. I'll be out of the office starting Wednesday so I'll get to reviewing it next week when I get back.

Just wanted to let you know that I am getting close to having something for you to look at. I am hoping to have some time on the ferry tomorrow, but will not have any internet or cell service while at the San Juans interagency meeting. I am planning on getting you something on Wednesday. Sorry for the delay.

I leave for Anacortes this afternoon and will not be back from the San Juans (and in consistent cell service) until sometime after 7pm tomorrow night.

Thanks for keeping me in the loop on the G2G.
