Subject: Aquaculture Discussion Notes
Date: Friday, September 3, 2021 9:46:51 AM

Do either of you have notes from our May 10, 2021 discussion with Jamestown S'Klallam Tribe? I am particularly looking for the conversation related to the amount of access necessary for operations. My notes show it as being close to the end of the conversation.

Thanks for helping me accurately recall the discussion.

-jennifer
