

From: [BrownScott, Jennifer](#)
To: [Sylvia Pelizza](#); [Dexter, Nathan L](#)
Subject: FYI. Meeting with Jamestown Tribe Aquaculture Staff
Date: Wednesday, January 6, 2016 4:10:52 PM
Importance: High

Ralph Riccio has asked to sit down and talk next Tuesday. He sounds like he is interested in knowing more about Refuge farming programs. I've told him that I do not have much expertise in different farming techniques.

Sylvia, is there a national perspective on farming aside from GMO's and herbicide issues?

I'll let you both know how it goes.

-jennifer
