Subject: Conversation with Scott Aikin regarding Dungeness
Date: Thursday, June 30, 2016 6:54:26 AM
Importance: High

Chairman Allen,

Scott Aikin called me and said he had a brief discussion with you regarding the proposed aquaculture operation at Dungeness.

I followed up with our staff and am hearing that things are proceeding (albeit slowly) consistent with the approach we discussed in the tribal offices.

I understand that our Refuge staff are conducting an eelgrass survey on July 1 and have invited the tribal natural resources staff to assist with the effort.

Please let me know if you any questions or want to discuss any of these activities.

Kevin
