As time allows this week, please provide a brief catch up on the BiOp issue (and/or other ES issue) at Dungeness Bay. I forwarded the incoming letter; I just want to catch up.

If easy, send a short (paragraph) email. If equally easy, schedule a phone call. Let me know if this presents problems.

Kevin, this morning you mentioned issues from the Refuge perspective; same request as above (what's up/changed, status, steps ahead).

Thanks.

Robyn
