Great!

Can you add a legend showing the years those eelgrass survey areas represent and a scale bar when you beautify? Might need two versions - one with the FWS page formatting so it can be stand alone and another just shoowing the map with legend & scale bar within the map so it can be inserted into a doc.

Thank you!
Sue

Sue mentioned you couldn't find the Eelgrass map, my bad I didnt make a PDF, it is attached here.

All maps are in:

S:\GIS_PROJECTS\Julie\Aquaculture 2018
