Hi Jason, I found one error, the last beach cleanup for the season is Saturday Sept. 1.
Otherwise looks good. Dave

Dave,

Here's a revised version with an additional page about Gary and the access road.
I will save the Native Plant Walk for the Summer edition, which will be here
before I know it.

Please review and let me know if you have any additional changes (esp. the new
7th page).

Thanks,
Jason
