Im fine with it.

We issue a SUP - thats a Federal action - we need NEPA, Sec 7, NHPA sec 106 and compatibility. The first three could be covered by adopting the corps documents.

Kevin,

This was a tough one to get right but I think Jennifer (despite my multiple edits) got this to where it needed to be. We need to send it over to Brad Thompson for their edits / additions before we brief Robyn but I want to make sure you are okay with this before that. Let me know
