Jennifer,

Enclosed is a response letter and attachments from the Jamestown S'Klallam Tribe (JSKT) to the USFWS comment letter dated May 22, 2019 for the above referenced project. Pam Sanguinetti is on leave and I am forwarding them to you in her absence. We are providing you the opportunity to resolve or rebut these comments. We encourage you to work directly with the Tribe. I understand Hansi Hals has already forwarded you a copy of this information and Ms. Hals is CCd above.

Should USFWS wish to respond to the attached June 28, 2019 JSKT letter and attachments, please provide a response to the Corps within 30-days from the date of this message. The information you provide to us will be shared with the permit applicant. This coordination process could go through multiple iterations. Please let me know if you have any questions. Thank you.
