I had Kevin Kilbride I&M look at your comments and the tribal response ... he was extremely complementary of your efforts and felt it was an outstanding balanced comment letter.

Hey Michelle,

Please ignore. I have Vanessa looking at this. Thanks.

Charlie, Vanessa Loveri and I will be weighing in a little later today. We might have some questions. Thanks.

Robin,

Attached is our recent letter to you for our discussion next Wednesday to resolve this problem. We have spent many hours and resources on countering and correcting the perceptions and views recently articulated by USF&WS. We trust you will review our exhaustive responses to your current views and actions.

Thanks, Ron
