Thank you for the careful scrubbing of the literature to support our letter. I particularly appreciate the notes from Jennifer specifying the particular contribution of each. Very helpful. My one edit is to add an "s" to "structure" at the end of the second paragraph. Other than that it is ready to sign and I can do it once I am able to get to work later this week.

Here's the latest version of the letter to the Corps regarding the oyster farm proposal at Dungeness NWR.
