I was going to just update the next steps then realized there is a bit more that needs to be in there including your options analysis, so ... I need you to do the updates.

Charlie,

As we prepare for next steps on this, Hugh has asked that we update the briefing paper to Martha. Probably isn't a bad idea to refresh both briefing papers (the one to Martha and the one to Brian Mercier). I'll fill you in on our conversation with Hugh and Nanette this afternoon and updates he shared on steps moving forward. When we have a meeting scheduled we will have a deadline for this, but wanted to give you advance notice to begin working on this.

Thanks,  
holly
