Liz,

We appreciate the opportunity to talk with you regarding JST communications/consultations with the Dungeness National Wildlife Refuge. You suggested November 11 and 12 as potential dates, but we are hoping it would be possible to meet on the 10th in the afternoon. 2:00 on the 19th would be ideal, but any time after 1:00 would work. In addition, we would like to include Regional Refuge Chief Kevin Foerster and Deputy Regional Refuge Chief Christine Ogura in the meeting.

Thanks for your consideration of this proposed date and time.

Liz,

My apologies for not getting back to you sooner. I was out sick earlier this week; however, I am talking to Robyn and Hugh today, and hope to get back to you on timing and attendees late today or early tomorrow. Thank you for your patience.

Thank you Lynn,

We would like to propose November 11 or 12<sup>th</sup> to have our follow-up meeting between Robyn, Hugh and Jamestown Natural Resources staff to discuss long-standing issues we have experienced in our communications/consultations with the Dungeness National Wildlife Refuge. I believe that we decided this meeting would not need to include legal counsel but please let me know if I misunderstood.

Robyn and Hugh, please let us know if there is an available time for you to meet with us on November 11<sup>th</sup> and 12<sup>th</sup>.

Thank you,

Hello Lynn, Robyn and Hugh

Thank you again for the discussion this morning. Per your request, attached is a copy of the slides that I presented during our meeting. Please feel free to contact me with any questions on these points, or any documents included as conditions of the DNR lease 20-B13012 identified in Exhibit B, and secured permits referenced therein.

At the end of today's call, we had discussed the need to have a follow-up conversation that focuses on some long-standing issues we have experienced in our communications/consultations with the Dungeness National Wildlife Refuge regarding the Tribe's aquaculture operations, permits and lease. It seems appropriate that this meeting would include Regional Director Thorsen, Deputy Director Morrison and Jamestown Natural Resources staff: Director Hansi Hals, myself and Sissi Burch.

Since Hansi is currently out of the office to be with her family during this difficult time, we will follow up upon her return with proposed dates for this meeting.

Regards,  
Liz
