Thank you for putting this information together. Attached is a re-formatted version, with almost no edits other than pagination. Please review to see if I correctly “transcribed” your fine work putting these questions together. I put them in the chronological order received. You’ll note a question with a “blank” – I’m not sure what happened there and appreciate you helping me correct that.

Mondays are busy: if you could get back to me with your approved version by COB today, I’d appreciate it. Let me know if that presents problems.

I live and work in the traditional homelands of the Chinook, Clackamas, Cowlitz, Kalapuya, Kathlamet, Molalla, Multnomah, and Wasco people who have made their homes along the lower Columbia River for thousands of years.
