Yesterday you mentioned a POC to fulfill our RD/DRD contributions to this FOIA request. That will be Chanelle: thank you for providing her the request and its scope so she can complete our contribution.

I had mentioned my files have already been searched but I think that was likely narrower than the FOIA request (which I haven't seen), so the RD files might need another scrub. I appreciate you working with Chanelle to (again) define scope so we focus appropriately.

Thank you.  
Robyn
