Thanks Lauren. I'm a maybe. We have a Field Office retreat scheduled to start in the afternoon on the 23rd, so a lot depends on travel, cell service and our Colorado meeting agenda start time. We're working on the draft agenda now and should know more details soon.

thank you for coordinating with R2.

**Subject:** FW: Draft Tribal Agenda

Hi all, since you were on last week's AZ Tribal call (+ Kurt if you are interested in joining this one) I wanted to send you the below information:

The Colorado gray wolf update for the joint FWS and BIA Tribal ESA meeting on 5/23 (Tuesday) is on the agenda from 10:45-11:15am MDT. We will join via Teams. See attached.

Would you be interested and available to make this date and time? If so, let me know.  
Are you interested in joining but cannot make this time? Let me know your preferred time and I'll let Chad know so that he can move things around.

I figure it'll run similar to the AZ Tribal meeting: 15 minute presentation (I can do that) and a Q&A.

Thanks!

-Lauren
