Hi, Michael - Please add this comment to the CO gray wolf docket (FWS-R6-ES-2022-0100). I know the comment period already closed, but I recommend we accept the comment, add it to the docket, and let the program decide how they want to handle it.

Hi, Craig & Kelly - Please see the attached. Given that it's from a Tribal Nation, I recommend it be added to the docket and addressed as if it were timely. Depending on how you address their recommendations in the final rule, it may affect the PRA package. We can discuss after you've had a chance to look at it and decide how you want to proceed with it.

Thanks! Have a great weekend, everyone!
