Thanks John.

At the in-person meeting with the states in March, leadership requested a check-in meeting in May. It is a virtual meeting with CO, AZ, NM, UT and FWS R2 and R6. I'll add a short description to the invite and will have an agenda before the end of the week.

Hi Nicole and Kurt,

I'm acting for Clint this week and I got quizzed at the RTD meeting this am about the state coordination meeting below. They are wanting more detail added to the invite and I don't know who organized the meeting. I assume it was you Nicole, but if not can you let me know who I need to talk to about this?

Thanks John

Hi Jill, Do you handle the ES conf scheduling calendar? There were questions at RDT about the wolf 10j state coordination meeting (i think at 8am next Monday). They wanted more details on the meeting, confirmation it is a virtual meeting, whether it was tentative or confirmed etc. I think the meeting invite needs to be updated with more details.  
thanks john
