Hi all,

I've attached the index we put together of references that were cited or suggested by commenters, including links to the comment submissions on regulations.gov, for Scott and/or the group to review. We'll need to determine if any of these should be cited in the EIS.

I tried uploading this to your SharePoint site but was getting an error. If you have any trouble with the file, let us know, and we can look into it.

Let us know if you have any questions. Thanks!

Jessica
