Hey Scott-

Just got off our call with Liisa about 10j stuff and she reminded me that you were digging in to find out if there were appropriate templates to use for a MOU so that CPW could be an agent of the Service for the purpose of administering some aspects of the 10j for wolves in CO. I wanted to check in and see if you have anything along those lines. I'm not under a lot of pressure to do this right away, but I don't want this important piece to slip through the cracks - certainly to have it in place prior to the effective date of 10j/reintroductions.

Thanks man,
Eric
