Dear Cooperator,

Thank you for attending yesterday's Cooperating Agency meeting and all of your input and information for the Environmental Impact Statement to support a rule to designate an experimental population under ESA section 10(j) for Colorado's requested management flexibility for their state-led wolf reintroduction.

As discussed yesterday because of our compressed schedule, you will have one week to review the attached draft FEIS and we would appreciate receiving comments close of business Monday July 24. We have scheduled the second meeting on Thursday July 27 from 3 to 4 pm to discuss your comments if needed and have sent a Teams invite for that meeting.

Thank you again for your review given the quick turn around and please contact me at [liisa\\_niva@fws.gov](mailto:liisa_niva@fws.gov) if you have any questions.

Respectfully,  
Liisa
