Hey Kurt, looks doubtful, as last I heard cost was prohibitive, but I'll let you know if that changes.

On another virtual note, it's looking like we'll need to set up a meeting in Las Vegas to discuss Navajo's request for us to consult with them on the 10(j), so for that, on a small scale, we'll plan to pipe Liisa in. It would be an introductory meeting and to discuss planning the actual consultation. I don't know who else Gloria will have with her to meet with us, so we don't want to "overwhelm" her with us, but at least you (since you'll be in person) and Liisa, Wes and/or me. Is Klye the new Lauren?

John, I don't know if Liisa has contacted you about having a virtual option for my presentation, I am just following up on that since Scott B. and Liisa will not be able to attend. If you can get it set up, please include Kyle Lemaire on the invitation. Thank you.

Respectfully,
